

# Good Dog! Memory Jogger

The most successful fundraisers are those who aren't afraid to ask their friends and family for support. Remember, they want to help you succeed because this cause matters to you! Don't hesitate to include casual acquaintances, as they will understand that you are seeking donations for a worthy cause. As you brainstorm, consider phone/address book contacts, email lists, social media contacts, holiday cards lists, business/association directories, school rosters, etc.
